INDEX OF AUTHORS AND SUBJECTS vol 43 1991

AHMED AWAD ABDEL-HAMEED, MUKHTAR E.A. HASSAN, KAMIL M. ABDALLA, AWAD EL-BASHA, BUSHRA O. AHMED and AHMED A. MOHAMMEDANI. Two cases of ocular leishmaniasis 91

Adenomyosis uteri

Adenomyosis uteri in Ile-Ife, Nigeria. A prospective clinicopathologic study 114

OLUFUNMILAYO A. ADESINA and HERBERT A. ODELOLA. Ecological distribution of Chikungunya haemagglutination inhibition antibodies in human and domestic animals in Nigeria 271

African children

Haematologic indices in African children 171

AIDS

Human Immunodeficiency Virus type I infection in a community of southern Mozambique 39

Urinalysis and electrolyte profiles in patients with Acquired Immunodeficiency Syndrome 33

ABAYOMI O. AKANJI and REGINALD A. OPUTA. The effect of ambient temperature on glucose tolerance and its implications for the tropics 283

ABDULAZIZ AL-QUORAIN, MOHAMED B. SATTI, ABDULRAHMAN AL-HAMDAN, GHASSAB AL-GHASSAB, HUSSEIN AL-FREIHI and YUSUF AL-GINDAN. Pattern of upper gastrointestinal disease in the eastern province of Saudi Arabia. Endoscopic evaluation of 2,982 patients 203

A.N. ALAM, PAUL A. GOFF, N.M. ABDAL, M.A. RASHID and M.M. RAHAMAN. Serum ferritin and cholera. A prospective study 12

Alzheimer's disease

Epidemiology of age-related dementias in the Third World and aetiological clues of Alzheimer's disease 345

Ambient temperature

The effect of ambient temperature on glucose tolerance and its implications for the tropics 283

Amoebiasis

A comparative efficacy of plate ELISA and dot ELISA to detect antiamoebic antibodies in clinical patients 261

JEHORAM TEI ANIM, METHIL KANNAN KUTTY, SALEH SOWAYAN and MOHAMMAD OMER AL-SOHAIBANI. Nasopharyngeal carcinoma. A comparative study 59

Antibodies

Ecological distribution of Chikungunya haemagglutination inhibition antibodies in human and domestic animals in Nigeria 271

Immunological response to *Helicobacter pylori* among Nigerians 28

Atropine poisoning

Jimson weed food poisoning. An epidemic at Usangi rural government hospital 85

ABDULLAH H. BAQUI, M.D. YUNUS, K. ZAMAN, A.K. MITRA and K.M.B. HOSSAIN. Surveillance of patients attending a rural diarrhoea treatment centre in Bangladesh 17

M. BARKAWI, N. BASHIR and L. SHARIF. Sickle cell-thalassemia in a Jordanian family 94

E.N. BARTON, H. DAISLEY, D.T. GILBERT and L. ROBERTS. Diabetes mellitus and *Klebsiella pneumoniae* liver abscess in adults 100

Bixa orellana

Extraction of an hyperglycaemic principle from the annatto *(Bixa orellana)*, a medicinal plant in the West Indies 184

Blepharo-conjunctivitis

Leishmanial blepharo-conjunctivitis 303

F.S. BONDI. Childhood coma in Ibadan. Relationship to socio-economic factors 288

BOOK REVIEWS

Society, environment and health in low income countries (127); White plague, black labor (127); Growth of the Mosotho preschool child and the need of supplementary feeding

programme in the rural areas of Lesotho (128); A colour atlas of AIDS in the tropics (129); Demography and vector-borne diseases (129); Hookworm disease: current status and new directions (248); Nutrition learning packages (248); Guidelines for the safe use of wastewater and excreta in agriculture and aquaculture (249); Polyneuritis in chickens, or the origin of vitamin research (249); In the tropics with children (250); World Health Organization Publications. New Book announcements (250); 'A healthy business?' (343); Community health in the developing world. The case of Somalia (343); The effects of maternal mortality on children in Africa: An exploratory report on Kenya, Namibia, Zambia and Zimbabwe (387); Primary Health Care in the Atacora, Benin (387); Community involvement in health development: challenging health services (388); Practical chemotherapy of malaria (388); Geographical distribution of arthropod-borne diseases and their principal vectors (389); Q fever vol. I: The Disease (389).

Breast

Sparganosis of the breast 300

J.F. BROEKMANS. Tuberculosis and HIV-infection in developing countries S13

Brucellosis

Brucellosis as a cause of backache 148

O.B. CAMPBELL, A.O. GEORGE, W.A. SHOKUNBI, E.E.U. AKANG and P.U. AGHADIUNO. Problems in the management of mycosis fungoides in Nigeria 317

Cancer

The pattern of malignant disease in north-east Nigeria 189

Carcinoma of the stomach

Adenosquamous carcinoma of the stomach. With a note on pathogenesis 234

Chikungunya virus

Ecological distribution of Chikungunya haemagglutination inhibition antibodies in human and domestic animals in Nigeria 271

Childhood coma

Childhood coma in Ibadan. Relationship to socio-economic factors 288

Chloroquine resistance

Falciparum malaria fully cleared by amodiaquine, pyrimethamine-sulfadoxine and pyrimethamine-sulfalene in areas of chloroquine resistance in Dodoma, Tanzania 352

Cholangiocarcinoma

Cholangiocarcinoma in north-east Thailand. A hospital-based study 193

Cholera

A hospital outbreak of cholera in Dhaka, Bangladesh (*Letter to the editor*) 117

Serum ferritin and cholera. A prospective study 12

THOMAS LAM CHUEN-FUNG and THEVAKARUNA THAVARATNARAJAH ALAGARATNAM. Sparganosis of the breast 300

KATHLEEN C.M. COARD and IAN P. TITUS. Adenosquamous carcinoma of the stomach. With a note on pathogenesis 234

Compliance

Default and non-compliance among adult epileptics in Zaria, Nigeria. The need to restructure continued care 242

Cost savings

Estimation of cost savings from reprocessing of plastic syringes. A case analysis 383

MELAKE BERHAN DAGNEW and GUNTHER ERWIN. Epidemiology of common transmissible skin diseases among primary school children in north-west Ethiopia 152

Datura stramonium

Jimson weed food poisoning. An epidemic at Usangi rural government hospital 85

Dementia

Epidemiology of age-related dementias in the Third World and aetiological clues of Alzheimer's disease 345

Detention

Severe clinical nutritional neurological damage in a young Nigerian detainee 231

Diabetes mellitus
Diabetes mellitus and *Klebsiella pneumoniae* liver abscess in adults 100
Inpatient or outpatient initiation of insulin therapy. Experience and cost effective analysis in a suboptimal clinical setting 180
Plasma lipids and lipoproteins in type II diabetic Nigerians with retinopathy 55
The use of plasma fructosamine in the assessment of diabetic control 51
Diarrhoea
Rice-ORS shortens the duration of watery diarrhoeas. Observation from rural Bangladesh 23
Surveillance of patients attending a rural diarrhoea treatment centre in Bangladesh 17
Displaced persons
Murine and scrub typhus at Thai-Kampuchean border displaced persons camps 363
Dyspepsia
The prevalence of symptoms of dyspepsia in north-eastern Nigeria. A random community based survey 209

M.A. EBODA and B. AKANDE. Massive lower gastrointestinal haemorrhage from abdominal tuberculosis 307
Echinococcosis
An effective and safe surgical method for the treatment of hydatid cysts of the liver in children 7
Presentation of *Echinococcus* infection as lung abscess 297
Ecology
Parasitic infections in young Jamaicans in different ecological zones of the island 136
ROBBERT J. EGGER, ESTHER H. HOFHUIS, BENJA SUKONTHANYAKORN, ELISABETH M. VAN DER VEN, POTE SCRIBOONLUE, MICHEL WEDEL, SASTRI SAOWAKONTHA and WIL H.P. SCHREURS. Food intake and socioeconomic status in children in north-east Thailand 42
Eijkman Centennial
Netherlands Society of Tropical Medicine. Eijkman Centennial International Symposium, Utrecht, November 1–2, 1990 332
GERSHON C. EJECKAM, FAROUK HASEEB, REYAD AHAMAD and BAHRAM AZADEH. Endometrial ossification 314
MOHSEN A.F. EL-HAZMI and A.S. WARSY. Glucose-6-phosphate dehydrogenase variants and sickle cell genes in Al-Qunfuda, Saudi Arabia 174
C.A. ELECHI. Default and non-compliance among adult epileptics in Zaria, Nigeria. The need to restructure continued care 242
ELISA
A comparative efficacy of plate ELISA and dot ELISA to detect antiamoebic antibodies in clinical patients 261
MARIELLE C.C.A. ELISSEN. Beliefs of leprosy patients about their illness. A study in the province of South Sulawesi, Indonesia 379
Endometrial ossification
Endometrial ossification 314
Endoscopy
Pattern of upper gastrointestinal disease in the eastern province of Saudi Arabia. Endoscopic evaluation of 2,982 patients 203
Epilepsy
Default and non-compliance among adult epileptics in Zaria, Nigeria. The need to restructure continued care 242
Epstein-Barr virus
Nasopharyngeal carcinoma. A comparative study 59
R.T. ERASMUS, R.A. ALANAMU and B. BOJUWOYE. Plasma lipids and lipoproteins in type II diabetic Nigerians with retinopathy 55
Eye
Two cases of ocular leishmaniasis 91

Falciparum malaria
Falciparum malaria fully cleared by amodiaquine, pyrimethamine-sulfadoxine and pyrimethamine-sulfalene in areas of chloroquine resistance in Dodoma, Tanzania 352
Felty's syndrome
Felty's syndrome in a Nigerian 238
Fructosamine
The use of plasma fructosamine in the assessment of diabetic control 51

G-6-PD deficiency
Glucose-6-phosphate dehydrogenase variants and sickle cell genes in Al-Qunfuda, Saudi Arabia 174
D.B. GAHUKAMBLE, ABDUL SALAM KHAMAGE, MUSSA EL GADI and FAWZI SHATWAN. An effective and safe surgical method for the treatment of hydatid cysts of the liver in children 7
WADZANI GASHAU and IDRIS MOHAMMED. Hepatitis B viral markers in Nigerian patients with primary liver carcinoma 64
Gastrointestinal haemorrhage
Massive lower gastrointestinal haemorrhage from abdominal tuberculosis 307
Gastrointestinal disease
Pattern of upper gastrointestinal disease in the eastern province of Saudi Arabia. Endoscopic evaluation of 2,982 patients 203
A. DE GEUS (Ed.). Symposium on mycobacterial diseases in the tropics, Amsterdam, September 7, 1990 S1
Glucose tolerance
The effect of ambient temperature on glucose tolerance and its implications for the tropics 283
ADELE GREEN, THONGUEB UTTARAVICHIEN, VACHARABHONGSA BHUDHISAWASDI, WITAYA CHARTBANCHACHAI, DAVID B. ELKINS, EM-ORN MARIENG, CHAVALIT PAIROJKUL, TULA DHIENSIRI, NARONG KANTEEKAEW, MELISSA R. HASWELL-ELKINS. Cholangiocarcinoma in north-east Thailand. A hospital-based study 193
Group B streptococcus
A study of group B streptococcal carrier state during late pregnancy 161
RONALD H. GUDERIAN, JOSÉ RUMBEA GUZMAN, MANUEL CALVOPIÑA and PHILIP COOPER. Studies on a focus of yaws in the Santiago Basin, province of Esmeraldas, Ecuador 142

Haematology
Clinico-hematological characteristics in patients with kala azar. A study from North-West India 357
Haematologic indices in African children 171
RUKHSANA HAIDER, ABUL KALAM AZAD KHAN, KHAWAJA MOHAMMAD SULTANUL AZIZ, AZAD CHOWDHURY and IQBAL KABIR. Evaluation of indigenous plants in the treatment of acute shigellosis 266
Heart
Coronary heart disease and coronary risk profile in a primitive population 199
Helicobacter pylori
Immunological response to *Helicobacter pylori* among Nigerians 28
Hepatic carcinoma
Circulating CA-195 in hepatocellular carcinoma and metastatic hepatic carcinoma 329
Hepatitis B vaccine
Immunogenicity, reactogenicity and comparison of two doses of recombinant DNA yeast-derived hepatitis B vaccine in Ethiopian children 220
Hepatitis B
Hepatitis B viral markers in Nigerian patients with primary liver carcinoma 64
Hepatocellular carcinoma
Hepatitis B viral markers in Nigerian patients with primary liver carcinoma 64

Histiocytic necrotising lymphadenitis
Histiocytic necrotising lymphadenitis (Kikuchi-Fujimoto disease) in Saudi Arabia 68
HIV-infection
Extrapulmonary tuberculosis - a simple diagnosis? A retrospective study at Dar es Salaam, Tanzania 375
Human Immunodeficiency Virus type I infection in a community of southern Mozambique 39
Tuberculosis and HIV-infection in developing countries S13
Hodgkin's disease
Reactivation of Chagas' myocarditis during therapy of Hodgkin's disease 228
C. HOLCOMBE and U. BABAYO. The pattern of malignant disease in north-east Nigeria 189
C. HOLCOMBE, B.A. OMOTARA, M.K.O. PADONU and A.P. BASSI. The prevalence of symptoms of dyspepsia in north-eastern Nigeria. A random community based survey 209
Hospital outbreak
A hospital outbreak of cholera in Dhaka, Bangladesh *(Letter to the editor)* 117
Human parvovirus
Prevalence of human parvovirus B19 in sickle cell disease and healthy controls 108
Hyperglycaemia
Extraction of an hyperglycaemic principle from the annatto (*Bixa orellana*), a medicinal plant in the West Indies 184
Hypothermia
Prevention of neonatal hypothermia in Himalayan villages. Role of the domiciliary caretaker 293

F.N. IHEKWABA and A.B.O. SHITTU. Perforated typhoid enteritis. The problem of intestinal fistula 370
Immunity
Prevalence of malaria in native and transmigrant populations. Effects of age and history of exposure 1
Immunization
Poliomyelitis control by annual immunization campaigns with oral polio-virus vaccine in a rural area of India 215
Inguinal hernia
Multiple faecal and urinary fistulae as a complication of native treatment of inguinal hernia 105
Insulin
Inpatient or outpatient initiation of insulin therapy. Experience and cost effective analysis in a suboptimal clinical setting 180
Intestinal fistula
Perforated typhoid enteritis. The problem of intestinal fistula 370
SEBASTIAN G.M. IRARE, MARTHA M.M. LEMNGE and JULIUS I.K. MHINA. Falciparum malaria fully cleared by amodiaquine, pyrimethamine-sulfadoxine and pyrimethamine-sulfalene in areas of chloroquine resistance in Dodoma, Tanzania 352
Iron deficiency
Serum ferritin and cholera. A prospective study 12
A.B.M. QAMRUL ISLAM, A.K. SIDDIQUE and K.A.H.M. AKRAM. A hospital outbreak of cholera in Dhaka, Bangladesh *(Letter to the editor)* 117
SHARAD D. IYENGAR and OMKAR N. BHAKOO. Prevention of neonatal hypothermia in Himalayan villages. Role of the domiciliary caretaker 293

TREVOR R. JONES, J. KEVIN BAIRD, HASAN BASRI, PURNOMO and EMON W. DANUDIRGO. Prevalence of malaria in native and transmigrant populations. Effects of age and history of exposure 1

Kala azar
Clinico-hematological characteristics in patients with kala azar. A study from North-West India 357
J.R. KANWAR and V.K. VINAYAK. A comparative efficacy of plate ELISA and dot ELISA to detect antiamoebic antibodies in clinical patients 261

KAMALA KRISHNASWAMY, C.E. PRASAD and K.J.R. MURTHY. Hepatic dysfunction in undernourished patients receiving isoniazid and rifampicin 156
RAJESH KUMAR and VIJAY KUMAR. Poliomyelitis control by annual immunization campaigns with oral polio-virus vaccine in a rural area of India 215
METHIL KANNAN KUTTY, JEHORAM TEI ANIM and SALEH SOWAYAN. Histiocytic necrotising lymphadenitis (Kikuchi- Fujimoto disease) in Saudi Arabia 68

Leishmaniasis
Leishmanial blepharo-conjunctivitis 303
Two cases of ocular leishmaniasis 91
G.U. LEKWUWA, A. OGUNNIYI and C. ORUBO. Acute intermittent porphyria in Nigerians; a rare disease or a low suspicion index? 310
Leprosy
Beliefs of leprosy patients about their illness. A study in the province of South Sulawesi, Indonesia 379
Mycobacterial Research at the N.H. Swellengrebel Laboratory of Tropical Hygiene S3
Recent developments in leprosy control S5
Recent trends in the epidemiology of tuberculosis and leprosy S22
Liver abscess
Diabetes mellitus and *Klebsiella pneumoniae* liver abscess in adults 100
Liver
An effective and safe surgical method for the treatment of hydatid cysts of the liver in children 7
Hepatic dysfunction in undernourished patients receiving isoniazid and rifampicin 156
Lung
Presentation of *Echinococcus* infection as lung abscess 297

BREMINAND MAHARAJ, SUNDRAPRAGASEN PILLAY and THAVAN PADAYACHI. Circulating CA-195 in hepatocellular carcinoma and metastatic hepatic carcinoma 329
Malaria
Chloroquine therapy still useful in the management of malaria during pregnancy in Muheza, Tanzania 131
Prevalence of malaria in native and transmigrant populations. Effects of age and history of exposure 1
Malignant disease
The pattern of malignant disease in north-east Nigeria 189
Malnutrition
Severe clinical nutritional neurological damage in a young Nigerian detainee 231
NEELAM MARWAHA, RAVINDRA SARODE, R.K. GUPTA, G. GAREWAL and S. DASH. Clinico-hematological characteristics in patients with kala azar. A study from North-West India 357
S.O. MC'LIGEYO, L.S. OTIENO and F.K. MWONGERA. Urinalysis and electrolyte profiles in patients with Acquired Immunodeficiency Syndrome 33
PAOLA MENCARINI, ANDREA DE LUCA, PIERO GHIRGA, FRANCESCA VICHI, ANDREA ANTINORI, GIUSEPPE MAIURO, INOUSSE NOORMAHOMED and ENRICA TAMBURRINI. Human Immunodeficiency Virus type I infection in a community of southern Mozambique 39
SHANTHI MENDIS. Coronary heart disease and coronary risk profile in a primitive population 199
MULUGETTA MENGISTU. Thyrotoxicosis in an Ethiopian Teaching Hospital 276
MULUGETTA MENGISTU, YESHAREG LUNGI and FIKRE MAMO. Inpatient or outpatient initiation of insulin therapy. Experience and cost effective analysis in a suboptimal clinical setting 180
Meningococcal infection
Evaluation of antibody response in meningococcal patients, contacts and vaccinees in north India 111
KONRADIN METZE, IRENE LORAND-METZE, EROS ANTONIO DE ALMEIDA and

SAMIRA LAUAR DE MORAES. Reactivation of Chagas' myocarditis during therapy of Hodgkin's disease 228
E.Y. St. A. MORRISON, H. THOMPSON, K. PASCOE, M. WEST and C. FLETCHER. Extraction of an hyperglycaemic principle from the annatto (*Bixa orellana*), a medicinal plant in the West Indies 184
Multidrug therapy
Recent developments in leprosy control S5
T.K. MUTABINGWA, L.N. MALLE and S.N. MTUI. Chloroquine therapy still useful in the management of malaria during pregnancy in Muheza, Tanzania 131
D.L. MWANIKI. Estimation of cost savings from reprocessing of plastic syringes. A case analysis 383
Mycobacterial diseases
Symposium on mycobacterial diseases in the tropics, Amsterdam, September 7, 1990 S1
Mycosis fungoides
Problems in the management of mycosis fungoides in Nigeria 317

A. NANDY, MANJULIKA ADDY and A.B. CHOWDHURY. Leishmanial blepharo-conjunctivitis 303
Nasopharyngeal carcinoma
Nasopharyngeal carcinoma. A comparative study 59
Native treatment
Multiple faecal and urinary fistulae as a complication of native treatment of inguinal hernia 105
Neonates
Prevention of neonatal hypothermia in Himalayan villages. Role of the domiciliary caretaker 293
S.K. NOORDEEN. Recent developments in leprosy control S5
Nutrition
Food intake and socioeconomic status in children in north-east Thailand 42
Hepatic dysfunction in undernourished patients receiving isoniazid and rifampicin 156

E.O.O. ODELOWO. The problem of trauma in Nigeria. Pattern as seen in a multicentre study 80
O.S. OJO, U. ONWUDIEGWU and W.O. ODESANMI. Adenomyosis uteri in Ile-Ife, Nigeria. A prospective clinicopathologic study 114
JOEL OLADAPO B. OLUBODUN, ALFRED E.A. JAYESIMI, OLAYINKA A. OLASODE and ADEDAYO B. SOBOWALE. Severe clinical nutritional neurological damage in a young Nigerian detainee 231
O. OLUSANYA. Immunological response to *Helicobacter pylori* among Nigerians 28
KINGSLEY E. ONWUKEME and ISOKEN N. OLOMU. Haematologic indices in African children 171
I.I. ONYEWOTU, G.C. ONYEMELUKWE and J.U. OKPAPI. Felty's syndrome in a Nigerian 238
Opisthorchiasis
Cholangiocarcinoma in north-east Thailand. A hospital-based study 193
Oral rehydration therapy
Rice-ORS shortens the duration of watery diarrhoeas. Observation from rural Bangladesh 23
Surveillance of patients attending a rural diarrhoea treatment centre in Bangladesh 17
B.O. OSUNTOKUN, A.O. OGUNNIYI, G.U. LEKWAUWA and A.B.O.O. OYEDIRAN. Epidemiology of age-related dementias in the Third World and aetiological clues of Alzheimer's disease 345

Paragonimiasis
Endemic human paragonimiasis in Equatorial Guinea. Detection of the existence of endemic human paragonimiasis in Equatorial Guinea as a result of an integrated sanitary programme 326
Paragonimus africanus
Endemic human paragonimiasis in Equatorial Guinea. Detection of the existence of endemic human paragonimiasis in Equatorial Guinea as a result of an integrated sanitary programme 326

Parasitic infections
Parasitic infections in young Jamaicans in different ecological zones of the island 136
Parasitology
Meeting Netherlands Society for Parasitology, Utrecht, November 30, 1990 340
Pellagra
Lack of relationship between sorghum consumption, mycotoxin contamination and pellagra in a traditionally sorghum eating population 165
Peptic ulcer
The prevalence of symptoms of dyspepsia in north-eastern Nigeria. A random community based survey 209
Physicians
Attitudes and behaviour of physicians towards smoking in Riyadh city, Saudi Arabia 76
Plastic syringes
Estimation of cost savings from reprocessing of plastic syringes. A case analysis 383
Poliomyelitis
Poliomyelitis control by annual immunization campaigns with oral polio-virus vaccine in a rural area of India 215
Porphyria
Acute intermittent porphyria in Nigerians; a rare disease or a low suspicion index? 310
Pregnancy
A study of group B streptococcal carrier state during late pregnancy 161
Chloroquine therapy still useful in the management of malaria during pregnancy in Muheza, Tanzania 131
Primitive population
Coronary heart disease and coronary risk profile in a primitive population 199

Radiotherapy
Problems in the management of mycosis fungoides in Nigeria 317
A.S.M. MIZANUR RAHMAN, A. BARI and A.M. MOLLA. Rice-ORS shortens the duration of watery diarrhoeas. Observation from rural Bangladesh 23
BELA RAO, ARCHANA AYYAGARI and MEERA SHARMA. Evaluation of antibody response in meningococcal patients, contacts and vaccinees in north India 111
S.C. RAWLINS, M. CAMPBELL, K. FOX, F. BENNETT, W.N. GIBBS and M. GREENE. Parasitic infections in young Jamaicans in different ecological zones of the island 136
Recombinant DNA
Immunogenicity, reactogenicity and comparison of two doses of recombinant DNA yeast-derived hepatitis B vaccine in Ethiopian children 220
Retinopathy
Plasma lipids and lipoproteins in type II diabetic Nigerians with retinopathy 55
Rheumatoid arthritis
Felty's syndrome in a Nigerian 238
C. RICHTER, B. NDOSI, A.S. MWAMMY and R.K. MBWAMBO. Extrapulmonary tuberculosis - a simple diagnosis? A retrospective study at Dar es Salaam, Tanzania 375
H.T. RWIZA. Jimson weed food poisoning. An epidemic at Usangi rural government hospital 85

MIR SADAT-ALI, MOHAMMED SAID AL-MOUSA and AHMED HASSAN AL-SALEM. Brucellosis as a cause of backache 148
B.O. SAEED, N.M. ELWALI, G.S. ATABANI, E.M.A. ELMAHDI and E. MUKHTAR. The use of plasma fructosamine in the assessment of diabetic control 51
ABDALLA ABDEL WAHID SAEED. Attitudes and behaviour of physicians towards smoking in Riyadh city, Saudi Arabia 76
R.B. SASHIDHAR, Y. RAMAKRISHNA, T. RAMNATH and R.V. BHAT. Lack of relationship between sorghum consumption, mycotoxin contamination and pellagra in a traditionally sorghum eating population 165
Schistosomiasis mansoni
A new focus of *Schistosoma mansoni* in the western province of Zambia 323

School children
Epidemiology of common transmissible skin diseases among primary school children in north-west Ethiopia 152
P. SHARMA, N. MALLA, I. GUPTA, N.K. GANGULY and R.C.MAHAJAN. A comparison of wet mount, culture and enzyme linked immunosorbent assay for the diagnosis of trichomoniasis in women 257
Shigellosis
Evaluation of indigenous plants in the treatment of acute shigellosis 266
Sickle cell-thalassemia
Sickle cell-thalassemia in a Jordanian family 94
Sickle cell haemoglobin
Glucose-6-phosphate dehydrogenase variants and sickle cell genes in Al-Qunfuda, Saudi Arabia 174
Sickle cell disease
Prevalence of human parvovirus B19 in sickle cell disease and healthy controls 108
Sickle cell-thalassemia in a Jordanian family 94
P.P. SIMARRO, A. ALAMO, F.O. SIMA, J. ROCHE, M. MIR and P. NDONG. Endemic human paragonimiasis in Equatorial Guinea. Detection of the existence of endemic human paragonimiasis in Equatorial Guinea as a result of an integrated sanitary programme 326
Skin diseases
Epidemiology of common transmissible skin diseases among primary school children in north-west Ethiopia 152
P.G. SMITH. Recent trends in the epidemiology of tuberculosis and leprosy S22
Smoking
Attitudes and behaviour of physicians towards smoking in Riyadh city, Saudi Arabia 76
Society
Annual Joint Meeting Netherlands Society of Tropical Medicine and Belgian Society of Tropical Medicine, Antwerp, April 20, 1991 337
Meeting Netherlands Society for Parasitology, Utrecht, November 30, 1990 340
Meeting Netherlands Society of Tropical Medicine. Working group meeting, Soesterberg, October 12, 1990 119
Meeting Netherlands Society of Tropical Medicine, The Hague, January 25, 1991 246
Netherlands Society of Tropical Medicine. Eijkman Centennial International Symposium, Utrecht, November 1-2, 1990 332
Socio-cultural beliefs
Beliefs of leprosy patients about their illness. A study in the province of South Sulawesi, Indonesia 379
Socio-economic factors
Childhood coma in Ibadan. Relationship to socio-economic factors 288
Food intake and socio-economic status in children in north-east Thailand 42
Sorghum
Lack of relationship between sorghum consumption, mycotoxin contamination and pellagra in a traditionally sorghum eating population 165
Sparganosis
Sparganosis of the breast 300
Spondylitis
Brucellosis as a cause of backache 148
ELIAS SUNNA, NAYEF EL-DAHER, KHALED BUSTAMI and TAREK NA'WAS. A study of group B streptococcal carrier state during late pregnancy 161

W.J. TERPSTRA. Mycobacterial Research at the N.H. Swellengrebel Laboratory of Tropical Hygiene S3
T. TEUSCHER, B. BAILLOD and B.R. HOLZER. Prevalence of human parvovirus B19 in sickle cell disease and healthy controls 108
Thyrotoxicosis
Thyrotoxicosis in an Ethiopian Teaching Hospital 276

Traditional medicine
Evaluation of indigenous plants in the treatment of acute shigellosis 266
Trauma
The problem of trauma in Nigeria. Pattern as seen in a multicentre study 80
Trichomoniasis
A comparison of wet mount, culture and enzyme linked immunosorbent assay for the diagnosis of trichomoniasis in women 257
Tropical medicine
Annual Joint Meeting Netherlands Society of Tropical Medicine and Belgian Society of Tropical Medicine, Antwerp, April 20, 1991 337
Meeting Netherlands Society of Tropical Medicine. Working group meeting, Soesterberg, October 12, 1990 119
Meeting Netherlands Society of Tropical Medicine, The Hague, January 25, 1991 246
Netherlands Society of Tropical Medicine. Eijkman Centennial International Symposium, Utrecht, November 1-2, 1990 332
E. TSEGA, B. TAFESSE, J. HORTON, E. NORDENFELT, G. WOLDE-HAWARIAT, B.G. HANSSON and J. LINDBERG. Immunogenicity, reactogenicity and comparison of two doses of recombinant DNA yeast-derived hepatitis B vaccine in Ethiopian children 220
Tuberculosis
Extrapulmonary tuberculosis - a simple diagnosis? A retrospective study at Dar es Salaam, Tanzania 375
Hepatic dysfunction in undernourished patients receiving isoniazid and rifampicin 156
Massive lower gastrointestinal haemorrhage from abdominal tuberculosis 307
Mycobacterial Research at the N.H. Swellengrebel Laboratory of Tropical Hygiene S3
Recent trends in the epidemiology of tuberculosis and leprosy S22
Tuberculosis and HIV-infection in developing countries S13
Tumor marker
Circulating CA-I95 in hepatocellular carcinoma and metastatic hepatic carcinoma 329
Typhoid fever
Perforated typhoid enteritis. The problem of intestinal fistula 370
Typhus
Murine and scrub typhus at Thai-Kampuchean border displaced persons camps 363

S.U. UDOFOT. Multiple faecal and urinary fistulae as a complication of native treatment of inguinal hernia 105
Urine
Urinalysis and electrolyte profiles in patients with Acquired Immunodeficiency Syndrome 33
Uterine bleeding
Adenomyosis uteri in Ile-Ife, Nigeria. A prospective clinicopathologic study 114

Vaccination
Evaluation of antibody response in meningococcal patients, contacts and vaccinees in north India 111
N.G. VAN VLIET, N. DE JONGE, S.M. VAN BEERS and P. LEVER. A new focus of *Schistosoma mansoni* in the western province of Zambia 323

HENRY WILDE, JATURAPORN PORNSILAPATIP, TAN SOKLY and SOU THEE. Murine and scrub typhus at Thai-Kampuchean border displaced persons camps 363
DESMOND C.S. WOOLF. Presentation of *Echinococcus* infection as lung abscess 297

Yaws
Studies on a focus of yaws in the Santiago Basin, province of Esmeraldas, Ecuador 142
